

2012 Bloomington Montessori School Summer Camps Camp & Registration Information

June 4th through July 27th

Summer School will be held for four sessions. Each session will run for two weeks. Preschool enrollment is for current students as well as those enrolling in the fall. Non-Montessori students are welcome at all elementary camps, but each student must have written permission from the sessions' teacher to attend.

Elementary Camp fees will be \$250 per child per two week session. There is a materials fee per elementary camp, not included in the camp fee price.

All-Day Preschool Camp fees will be \$350 per two week session. (\$1,400 for all eight weeks.) Each session will also offer the option for children to attend from 8:30-12:30, with lunch included for \$240. First priority for the camp, however, will go to current and incoming all-day children.

Half-Day Preschool Camp fee will be \$180 per child. Only one two week session will be held in the half-day classroom. There is also an option for lunch for an extra \$60, or a total of \$240 for 2 weeks.

Please mark on the attached registration form the class(es) your child will be attending and return to the office. We will be opening elementary registration to the public on March 1st, and at that point availability will be on a first come, first serve basis.

Please fill out one registration form and one information form per child.

Full payment is required for the first camp for which your child is registered. Each camp payment thereafter will be due prior to the start of that two week period. Please include your first camp payment with your registration form.

If a class is cancelled due to low enrollment, you will receive a full refund.
